

RAK BUYING HOUSE

Your Trusted Partner in GLOBAL TEXTILE SOURCING

COMPANY OVERVIEW

RAK Buying House is a premier textile sourcing agency established in 2020, headquartered in Karachi, Pakistan.

We connect global buyers with Pakistan's finest manufacturers, delivering world-class textiles with full quality assurance, competitive pricing, and end-to-end supply chain management.

Our network spans **150+ verified** factories across Karachi, Lahore, Faisalabad and Sialkot, covering knitwear, wovens, denim, home textiles and more.

CERTIFICATION

We work exclusively with a network of **BSCI**, **OEKO-TEX**, **SEDEX**, **WRAP**, and **C-TPAT** certified factories in Pakistan, ensuring that every product we source meets the highest international standards for ethical manufacturing, social compliance, supply chain security, and product safety. Our BSCI and SEDEX certifications guarantee fair labor practices, safe working conditions, and full transparency across our supply chain. Our OEKO-TEX Standard 100 certification confirms that all textiles are rigorously tested for harmful substances and are completely safe for human use. Our WRAP certification certifies that our production facilities operate in full compliance with global ethical manufacturing protocols. Additionally, our C-TPAT certification ensures that our supply chain meets strict security standards set by U.S. Customs and Border Protection, providing our clients with secure and reliable shipment processing for international markets. Together, these certifications allow us to provide international brands with complete confidence in the quality, safety, security, and integrity of every garment and home textile we deliver. All certificate copies and audit reports are available upon request.

WHY CHOOSE US

At RAK Buying House, we position ourselves as your trusted on-ground sourcing partner in Pakistan. We are not just a middleman; we are your local eyes, ears, and hands, ensuring that every order is managed with complete transparency and accountability. We work exclusively with BSCI, OEKO-TEX, SEDEX, WRAP, and C-TPAT certified factories, so you never have to worry about compliance or quality standards. From sampling and costing to production, quality control, and timely shipment, we handle every step of the process on your behalf. Our established relationships with 150+ verified factories across Karachi, Lahore, Faisalabad, and Sialkot allow us to offer competitive pricing, low MOQs, and flexible production capacity. We are already trusted by global brands such as **DKNY, New Yorker, JABs, BW Group, Wickett Jones, and CUOTTI**. When you work with us, you get complete visibility, honest communication, and a partner who is committed to delivering the best cost, best quality, and timely shipment every time.
